

**CITY OF FOUNTAIN VALLEY  
MEMBER OF THE CITY COUNCIL**

**W.F. GUSTAV “GUS” AYER**

**AGE:54**

**OCCUPATION:** City Council Member

Since my election in 2002, I've been honored to serve on Fountain Valley's City Council. Working with my colleagues, I have:

Made tough choices to keep Fountain Valley financially sound.

Offered voters a chance to confirm their previous support for term limits.

Continued progress on our new Senior Center and Recreation Center expansion.

Fought to keep a sewer pump station from taking homes in a residential neighborhood.

Worked with county supervisors to bring millions in state bond money to Mile Square Park.

Encouraged economic growth without taxpayer subsidies.

My current responsibilities include:

Fountain Valley Advisory Committee for the Disabled

Santa Ana River Flood Protection Agency

Orange County Council of Governments

Great Park Conservancy Advisory Board

405 Major Investment Study Committee

If you re-elect me, I pledge to:

Reaffirm my commitment to integrity, independence, diligence, and common sense. Maintain police, fire, and paramedic excellence as our top priority.

Continue working to improve parks and open space, locally and regionally.

Protect and enhance our wonderful neighborhoods.

In a time of cynicism about money and politics, I refuse to accept campaign contributions from anyone.

Let's work together to keep Fountain Valley a great place to live.
